Dear Friends:

It is my pleasure to congratulate the CAF Foundation for their dedicated commitment to combat discrimination, promote justice, community integration, as well as cultural connectivity. I would like to thank this outstanding organization and all its members for their leadership and dedication.

The CAF Foundation has grown to become one of the most prominent organizations in the Asian American community, and for many years, they have continued to bridge the Chinese and American cultures.

I commend this organization for supporting important international causes and for bringing solidarity to our nations.

It is always an honor to serve you in the State Assembly. Once again, congratulations and best wishes for the continued success of the Chinese American Federation.

Sincerely,
